SUMMARY

Enthusiastic Computer Science Engineering undergraduate with hands-on experience in Android development and responsive web application development using HTML, CSS, and JavaScript. Familiar with object-oriented programming, data structures, and database management concepts. Passionate about front-end development and building user-friendly applications with practical problem-solving skills.

EXPERIENCE

Industrial Training Trainee

Mountreach Solutions Pvt. Ltd., Amravati

June 2024 – July 2024

- Completed one-month training in Android app development using Java, XML, and Firebase
 - Built a prototype mobile app with login and database integration
 - Collaborated with team members to document processes and present findings
 - Gained exposure to industry-standard coding practices and project workflows
-

EDUCATION

- | | | |
|---------------------------------------|---|---------------|
| • B.Tech Computer Science Engineering | G H Rasoni College of Engineering, Nagpur | Expected 2028 |
| • Diploma in Computer Engineering | Government Polytechnic Arvi, Wardha | 88.57% 2025 |
| • SSC | Kannamwar Vidyalaya Arvi, Wardha | 89.60% 2022 |
-

PROJECTS

Rakshak – Animal Safety & Emergency Reporting Application

- Collaborated in a team of four to design and implement an Android application for animal accident reporting.
 - Enabled users to capture and upload GPS-enabled images of incidents, automatically notifying nearby NGOs and veterinary services.
 - Integrated one-tap emergency reporting with live location sharing to facilitate rapid response.
 - Developed embedded first-aid guidance, push notifications for status updates, and intelligent routing algorithms to prioritize cases by severity and proximity.
-

SKILLS

- **Programming Languages :** Python, C, Java (Android Development using XML).
 - **Software Tools & Platform :** Android Studio
 - **Technical Skills :** Mobile App Development, Documentation & Presentation, HTML/CSS/JS
 - **Soft Skills :** Quick Learner, Leadership, Management Skills, Creativity, Presentation, Research and Development, Teamwork, Team Coordination, Mentoring, Problem Solving
-

VOLUNTARY WORK

Executive Committee Member, IETE Forum Student Chapter –
Government Polytechnic Arvi

| 2023-24

ACHIEVEMENTS

- Secured **2nd Prize** in Technical Paper Presentation on “**Cloud Computing**” at Prayas – State Level Tech-Fest 2025, organized by Government Polytechnic, Amravati. Collaborated with a team of two members.
-

CERTIFICATIONS
